The Stewards received a report from the Clerk of the Course, with documentary evidence attached, stating that the crew of car No. 92 stopped on special stage SS2 on Friday 10.2.2017 at 08:55 hrs and failed to activate the OK switch on the emergency console within one minute as stipulated in Art. 40.3.3 of the 2017 FIA WRC Sporting Regulations.

The crew was then informed accordingly by the Stewards and was given the possibility, if they wished, to bring forward any representations other than having forgotten to push the button within one minute in the heat of the moment.

The competitor declared that they wanted to make representations. The Team Manager of Competitor No. 92, Mr. Mattias Adielsson, was then heard by the Stewards via video conference on Friday evening at 18.45 hrs.

On behalf of the crew, he admitted having forgotten to press the button and apologised for their lapse.

The Stewards consider that a breach of Article 40.3.3 of the 2017 FIA WRC Sporting Regulations has been committed and having further considered that Mr. TAISKO LARIO is a non-priority driver, after due deliberation

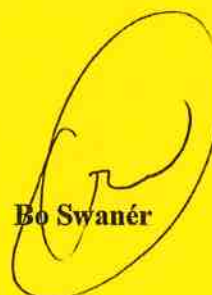

#### DECIDE

That Driver TAISKO LARIO and the Co-driver SAMI RYYNÄNEN shall be jointly and severally liable to pay a **fine of € 250**.

The Competitor is reminded of his right to appeal.
