Subject : STEWARDS DECISION NO. 7

Document No : 2.8

From : The Stewards

To : The Competitor of car No. 93 OSCAR SOLBERG
Crew OSCAR SOLBERG / PATRIK BARTH

The Stewards received a report from the Clerk of the Course stating that, following the incident involving car No. 86 on SS4, red flags were sent electronically to four cars, amongst them car No. 93. A physical red flag was also displayed at radio posts preceding the incident but car No. 93 had already passed these points. The crew of car No. 93 did not acknowledge having received the electronic flags as required pursuant to Article 40.5.1 of the 2017 FIA WRC Sporting Regulations and according to the tracking data, they did not slow down for the remainder of the stage.

Upon being summoned, the above Driver and Co-driver of car No. 93 met the Stewards at 18:52 hrs on Friday, 10.02.2017 by the means of a videoconference.

They stated that they had not noticed the red flag as their intercom was not functioning and the co-driver used his left hand to show his driver the notes. His hand therefore completely blocked the view to the emergency console.

The Stewards then, after due deliberation and under these mitigating circumstances

DECIDE

To impose a reprimand on Competitor No. 93 for not having complied with Articles 40.5.1 and 40.5.3 of the 2017 FIA WRC Sporting Regulations.

The Competitor is reminded of the right to appeal as stipulated in the FIA International Sporting Code.
