

STAGE FLASH

Date:	2017-02-11	Flash No:	13
Day:	Friday	Distance:	31,60 km
Special Stage:	SS 13 Hagfors 2		
Weather:	Overcast. -2° C		
Road Conditions:	Ice/snow		

1 - Sebastien OGIER / Julien INGRASSIA

"The grip is getting better and better. There's more gravel too, but not enough to badly affect the tyres."

10 - Jari-Matti LATVALA / Miikka ANTTILA

"A good stage, but the downhill section was very difficult on the loose now - I thought I had a puncture."

2 - Ott TANAK / Martin JARVEOJA

"Really good grip and I'm trying my best. It's difficult because everybody is trying. Can I catch Jari-Matti? I'll keep pushing and see what happens."

6 - Dani SORDO / Marc MARTI

"A nice stage. Very fast. I like it."

8 - Craig BREEN / Scott MARTIN

"It was a bit better than this morning. Another stage without any mistakes so we can be happy with that."

3 - Elfyn EVANS / Daniel BARRITT

"It was okay, but there's pretty much a defined line now - and if you drive off it it's very slippery."

15 - Stéphane LEFEBVRE / Gabin MOREAU

"I hit a snow bank in the last corner and lost 20 or 30 seconds."

5 - Thierry NEUVILLE / Nicolas GILSOUL

"The stage went well. The car was moving a bit at the rear with the extra weight of the second tyre but the grip is huge. I will be fine."

11 - Juho HÄNNINEN / Kaj LINDSTRÖM

"QUOTE"

7 - Kris MEEKE / Paul NAGLE

"Like before we struggled on the downhill section to the finish. I tried to improve my speed there but not enough."

4 - Hayden PADDON / John KENNARD

"It's much easier with some power steering - it feels like I have a feather at my finger tips. Trying now to get a good rhythm and have some fun."

14 - Mads OSTBERG / Ola FLOENE

" Not the worst activity for a Saturday is it?"

37 - Lorenzo BERTELLI / Simone SCATTOLIN

"Same problem with the engine that we had before service - no power."

32 - Pontus TIDEMAND / Jonas ANDERSSON

"It was a nice stage. Good grip and fantastic stage - a lot of people."

34 - Ole Christian VEIBY / Stig Rune SKJÆRMOEN

"I changed my driving style a bit here and it seems to work."
