After finishing the Power Stage all cars selected for live TV must stop at the stage stop control giving interviews for the purposes of Live TV, and then drive immediately to the TC 19A and the holding area. Driver and Co-driver should then report to the holding / viewing area adjacent to the podium area.

The last of the selected cars must not stop at the stage stop control but drive straight to the TC 19A and the holding area and follow the directions of officials to drive the car directly on to the podium. All Time Control requirements will be completed on the podium.

Podium Procedure

With reference to the Clerk of the Course Communication:

After finishing the Power Stage all cars selected for live TV must stop at the stage stop control giving interviews for the purposes of Live TV, and then drive immediately to the TC 19A and the holding area. Driver and Co-driver should then report to the holding / viewing area adjacent to the podium area. The last of the selected cars must not stop at the stage stop control but drive straight to the TC 19A and the holding area and follow the directions of officials to drive the car directly on to the podium. All Time Control requirements will be completed on the podium.

The procedure at the podium will be as follows and after instructions by the marshals:

- Top 3 WRC (in live TV)
- WRC 2 Pro winner
- WRC 2 Winner
- JWRC winner
- Remaining prizes

The official outright podium for Rally Sweden will be included in the Live TV coverage from approximately 13:10 – 13:30:

- Top 3
- Winning Manufacturer
- Full team photo opportunity on podium

Please find attached a layout diagram of the podium area in the service park.

- Car Holding Area is marked.
- Area in front of the podium where the drivers / co-drivers should then report and will be required to remain after parking car in the holding area.
- We would like to invite all Team Principals to join us in this area to watch the final stage amongst the drivers and media on the big screen, and to be present for the podium ceremony in respect of fellow competitors.
- Manufacturer's representative will be required in the Driver Holding area in preparation for the podium ceremony with enough preparation time before the commencement of the podium ceremony.
- Team / mechanics / VIP's / Team Guests are invited to be in the Team Holding area to prepare for the team photo opportunity on the podium. This will be the final element of the podium ceremony and the Live TV.
- Drivers / co-drivers will be required to remain in the holding area until the completion of the podium ceremony. Once the podium protocol has been concluded, any crews that are not required for any further protocol formalities will be released to their cars to drive them to final parc ferme (subject to other direction from FIA Technical Delegate reading those cars required for scrutineering).
