Subject: STEWARDS DECISION NO. 2 Document No: 2.3

To: The Competitor ADAC SACHSEN e.V. of car No. 73
Crew JULIUS TANNERT / HELMAR HINNEBERG

The Stewards, having received a report from the FIA Technical Delegate, summoned the above crew members as well as a competitor's representative, heard the driver and the co-driver on 16.02.2019 at 18:40 hrs, have considered the following matter and determine the following:

- Facts** At the end of special stage 10, the crew of car 73 received "white racing tape" from a third person to close a hole on the intake manifold.
- Offence** Art. 48.1.1 in conjunction with Art. 2.13 of the 2019 FIA WRC Sporting Regulations
- Decision** 5 minutes time penalty
- Reason** Outside the service park, it is not permitted to use or receive any manufactured materials, unless explicitly otherwise allowed by the regulations. Even though the repair with the tape received did not last very long, the crew should not have asked for and received that tape. They are only allowed to carry out repairs with the equipment carried on board.

The right to appeal this Decision is stipulated in the 2019 FIA International Sporting Code and in the 2019 FIA Judicial and Disciplinary Rules.
