**Subject:** STEWARDS DECISION NO. 3 **Document No:** 2.4

**To:** The Competitor ADAC SACHSEN e.V. of car No. 73  
 Crew JULIUS TANNERT / HELMAR HINNEBERG

The Stewards, having received a report from the FIA Technical Delegate, completed by a statement provided by the chief operator in charge of the refuelling procedures, summoned the above crew members as well as a competitor's representative, heard the driver and the co-driver on 16.02.2019 at 18:40 hrs, have considered the following matter and determine the following:

- Facts** At the remote refuel zone 6 (Hagfors), the crew was proceeding to the refuel zone and between the refuel zone and the weighing area at an excessive speed, with spinning wheels and using the handbrake to enter the refuelling zone.
- Offence** Art. 12.1.1.h of the 2019 FIA International Sporting Code.
- Decision** A Fine of 400€
- Reason** In proceeding as described above in the areas of RZ6 and the weighing area, the crew created an unsafe act as they did not take the necessary care in an area where a number of officials are on duty.  
 The Stewards understand that the crew was a bit excited as, after having arrived at the refuel point, they were re-directed to the weighing area which they had not noticed before. Then, at the weighing area, they were informed that their car was not required to be weighed and that they should proceed back to the refuel point. It is also understood that due to a technical problem, their engine was running at high revs, difficult to control. The crew admitted that due to their engine problem, they were under pressure and under high stress.

The right to appeal this Decision is stipulated in the 2019 FIA International Sporting-Code and in the 2019 FIA Judicial and Disciplinary Rules.
