VIP | COLIN'S CREST ARENA

THE WORLD'S MOST CRAZY RALLY EXPERIENCE.

Colin's Crest is action, party and exceptional rally. Colin's Crest VIP is new and even better and has everything you can wish for and more; breakfast, lunch, snacks, coffee, cakes, beer, wine, heat... and is located where the rally happens. Experience jumps over 40 meters, live reports, big screens, music and craziness.

Rally Sweden Historic

In between the two WRC stages you can experience rally history live. The classical mythical cars and the drivers from earlier decades are competing in the historical class. Often as dramatic as today's WRC.

Colin's Crest VIP offers prime view over the most famous jump in the rally world. The driver jumping the furthest wins Colin's Crest Award.
