## **FIREWORKS, FESTIVITIES AND A ROYAL GRAND OPENING**

The Red Barn Arena, walking distance from central Umeå, is where we can offer a genuine VIP experience for Rally Sweden 2023. The world's best rally sport, along with great food, drink and entertainment.

The world's fastest and best are ready for a show-down in northern Sweden. And you can experience the grand opening and the first stage live on site, alongside representatives from the FIA (International Automobile Federation), the local and regional authorities, and even the occasional royal.

Look forward to pomp and ceremony, fireworks, a food court and on-stage performances. Presentations of the teams and drivers, and of course the first stage, SS1 Umeå.
