**Fuel quantities \***

I acknowledge that I have read the following guidelines on fuel quantities.

We hereby recommend the following minimum and maximum amount of fuel for the WRC in Montecarlo:

Rally 1: 460 - 500 liters

Rally 2: 400 - 440 liters

Rally 3: 385 - 425 liters

Rally 4: 310 - 350 liters

Rally 5: 300 - 340 liters

RGT: 360 - 400 liters

Please do not order more or less than the recommended amounts but kindly note that no Team/ Car will run out

Please do not order more or less than the recommended amounts but kindly note that no Team/ Car will run out of fuel in case you ordered less/more than recommended.

In case of overconsumption: the payment has to be made onsite via credit card or afterward via bank transfer.
